Remarks

Welcome to 139 Hammond Road, where you will encounter a gorgeous 1940s farmhouse that was fully renovated in 2019. This home features a spectacular covered porch, which overlooks an elaborate custom stonework. When you first enter this exquisite home, you walk into an open concept on the first floor. You will first lay your eyes on the original 12 plank wood floors throughout, and the stunning masonry of the 3 fireplaces. This home features a spectacular gourmet kitchen with an open floor plan, a radiant over-sized stone island, stone counter tops, and stainless-steel appliances along with custom shelving. The master bedroom retreat has custom built doors, and is on the first floor along with a serene master bathroom. The master bathroom has a tub, step shower, huge walk-in closet, with room for a sitting area. When you go upstairs there are two bedrooms, which both have walk-in closets. Second full bath that has natural stone flooring with a bathtub. This home features plenty of parking on the 1/2-acre property with a 10x15 shed. Gorgeous landscaping with privacy trees, waterfall, and extended patio to have your friends and family over to enjoy for years to come.
